To Whom It May Concern

Subject: Final Completion Certificate

Greetings,

Reference is made to the above-mentioned subject.

This is to certify that Al-Jabir Contracting Company (AJCO) has successfully completed the scope of works related to the relocation and integration of a 20 MVA Bay 15/66 kV power transformer from the PV Plant Substation to Lamadji Substation in accordance with the contractual requirements, technical specifications, and applicable IEC standards.

The works were executed on an EPC turnkey basis and included, but were not limited to, the following activities:

- Engineering design updates, preparation of drawings, and system integration studies.
- Complete civil works, including foundations, trenching, and access roads for the existing Lamadji Substation.
- Civil works including foundations, cable trenches, transformer containment area, and structural installations.
- Mechanical and electrical erection of equipment including circuit breakers, disconnectors, current transformers, surge arresters, and control and protection systems.
- Execution of pre-commissioning and commissioning, functional testing, system verification, and energization.

Following the successful completion of the above-mentioned works, all required inspections, testing procedures, and documentation have been carried out in accordance with the project requirements and verified by the Client and its representatives.

Based on the satisfactory completion of the contracted scope of work, the Client hereby confirms that the works executed by Al-Jabir Contracting Company have been completed in compliance with the contract terms, technical specifications, and applicable standards. Accordingly, the works under the above-mentioned contract are considered fully completed and accepted.

The Client acknowledges the professionalism, technical expertise, and dedication demonstrated by the AJCO team throughout the execution of the project and appreciates their contribution to the successful completion of the project.

This certificate is issued upon the successful completion of the contracted works.

Yours sincerely,

Green Sources for Investment and Electronics - Branch
